

SIX SENSES
DESTINATION SPA

PHUKET
AN ERAWAN PROPERTY

PHUKET • THAILAND

Location

Naka Yai Island is located on the top east side of Phuket, just 25 minutes away from Phuket International Airport. Six Senses Erawan is the only resort located on this traditional Thai fishing island. This makes the resort a major part of the island, together with the pristine beaches of white sand lined with shady coconut groves and the picturesque views across Phang Nga Bay.

Phang Nga Bay

Concept

A Six Senses Destination Spa is dedicated to transforming the lifestyle of its guests through a complete immersion into healthy and mindful living. It offers structured and personalized programmes that blend fitness activities, spa cuisine, wellness education, discovery classes, relaxation and renewal. Preventative wellness is a fundamental component and combined with sound nutritional and naturopathic knowledge, a Six Senses Destination Spa provides guests with the ability to consciously support their health and longevity, overcome and alleviate stress, and live a healthier life.

Supporting the concept of life enrichment, accommodations at a Six Senses Destination Spa provide generous personal space and present an uncompromised standard of natural luxury with elegantly designed architecture and natural furnishings. Positioned as the destination spa of the twenty-first century, they support the Six Senses Destination Spa theme – *Enriching Life*.

Management

Six Senses Erawan is managed by Six Senses Resorts & Spas, who develop and operate properties in the Maldives, Oman, Thailand, Vietnam, Spain and Fiji under the brands of Soneva, Evason, Six Senses Destination Spas and Six Senses Spa. The Six Senses team has positioned Six Senses Erawan to reflect the same standards of excellence that are recognized in these other fine resorts.

Accommodations

Six Senses Erawan offers a total of sixty-one Private Pool Villas and Pool Villa Suites, each with an overall space footprint of more than 450 square metres, or approximately 4,850 square feet, located on a pristine white-sand beachfront and on the island's gently sloping hillside.

Spa Cuisine

The Ton-Sai Restaurant

Our spa cuisine dining experience provides stunning views of Phuket and the Andaman Sea and serves three meals a day, offering alfresco dining under the banyan tree or undercover seating in a relaxed atmosphere. It delivers refreshing and interesting spa cuisine buffets at breakfast and lunch with an a la carte menu served at dinner. Specialty spa cuisine dishes are offered to intrigue the palate and educate on the simplicity of healthy spa cuisine methods, with many of the wholesome ingredients grown in the resort's own biological gardens.

It also showcases an open plan cold-kitchen and delicatessen into which guests are invited to meander inside and personally select from the daily healthy delicacies on offer. Guests are encouraged to enjoy everything on offer in moderation.

Ton-Sai Restaurant

Dining at the Point

Our raw-cuisine restaurant features uncooked cuisine grown in the biological gardens of the resort. A central split-level structure features an open plan kitchen and table seating on the top level. On the lower level relaxing and comfortable daybed style seating is available with tranquil views of the Andaman Sea and coast line. Watch the chefs as they prepare your dish and by gathering produce from the organic vegetable gardens.

In-villa Dining

Our private In-villa Dining experience compliments the secluded and peaceful atmosphere, and serves a variety of spa cuisine dishes as well as healthy snacks to suit your individual needs.

Wellness Center

A Life Passage marks a transition. It offers time away from everyday life and is an opportunity for reassessment, reevaluation and regeneration. Six Senses Erawan offers Life Passages and services for individuals, couples, families, groups and organizations who are experiencing transition and transformation.

The Journey of life presents us with many challenges and transitions along the way. Every major change in life is a passage. Each passage we encounter can be an opportunity to heal the wounds of the past, go deeper into the meaning of our life, find renewed strength, open to intimacy and realize our fullest potential.

Retirement, loss, bereavement, mid-life crisis, adolescence, marriage, birth, young adulthood, divorce, career change, traumatic events, loss of meaning, relationship crisis, aging, finding a new life purpose and major illness are a few of the many challenges life presents to us.

We offer you integrated, skillful, professional and compassionate guidance to help you through the passageway where you will leave with a wealth of knowledge, your own personal home programme, and new enthusiasm that will inspire a new life that will sustain you for years to come.

Indonesian Spa Concept

Guiding Philosophy

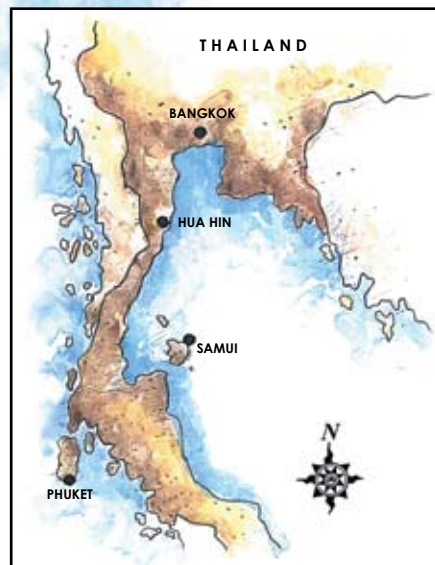

- Smoking is permitted only at a dedicated outdoor smoking area
- We love children however, in order to ensure an atmosphere conducive to relaxation and wellness, we do not accept bookings for children below the age of 16
- For the benefit of your health, only fishetarian cuisine will be served in our restaurants
- The only food and beverages permitted within the resort are those provided by the resort
- In consideration of your health and relaxation, as well as that of our other valued guests, active mobile phones, laptops and PDA's are not encouraged in public areas. Your private guest room is acceptable, but not encouraged.
- Only organic wines and champagnes will be served after 6pm
- For your comfort, you will be encouraged to use bathrobes or the provided Six Senses "yoga pant suits" during your stay
- To ensure a healing environment, only visitors that are visiting in-house guests will be permitted
